ARMY Declass/Release Instructions On File

March 27, 1942

FILE NO. SPFDF 122.2/150844 - Reports

Chief, Division of Deposits,
U. S. Treasury Department,
Washington, D. C.

Dear Sir:

Reference is made to monthly report of transportation of valuables under the Government Losses in Shipments Act, required by Treasury Department Circular No. 577, dated August 13, 1937. As the Army is now faced with the necessity of dispensing with all reports from troops in the field except those that are considered essential in connection with the prosecution of the War, it is recommended that consideration be given to the elimination of this report for the duration and six months thereafter.

Your early attention to the above matter and advice will be very much appreciated.

Sincerely yours,

(Signed) W. T. Johnson
